THE FRANKLIN BAR

The Franklin Bar is an elegant cocktail & Champagne bar
in a typical 1920s Great Gatsby style.

The essence of glamour, it is the perfect place to wind down
before dinner or enjoy a cocktail in a relaxing and refined setting.

Bespoke cocktail & mocktail selection created by
the Bar Manager Antonio Papariello
award-winning among the 2023 top 100 bartenders
of Great Britain by the World Class GB.

THE FRANKLIN GRAND TOUR

The Franklin Grand Tour is an immersive cocktail experience which will drive you to the discovery of Italy through its most iconic flavours and products.

The Grand Tour started in October 2022 from the North of the country, traversing down the upper part of the peninsula for the entire Autumn-Winter season.

With Spring blooming, the Franklin Grand Tour heads South, reaching the Eternal City, the pleasant coasts of the Italian Costiera and down under to the islands.

Get ready to virtually travel the region while sipping marinated peaches and tomato reduction as well as chilli syrup and lavender infusion.

All you have to do is to pick your travellers' personality and relish your Grand Tour at The Franklin Bar!
