We cook traditional, homely and honest Italian food.

Our chef, Alfredo Russo brings his zestful, inquisitive approach to life with his cuisine. Using the beautiful simplicity of traditional Italian cooking styles, he reinterprets dishes by giving them a taste, texture and presentation all of his own.

Alfredo's menu is made to be shared - whether you are looking to indulge in a feast, want to grab a light bite or are just indecisive... When the food is this good, you should share.

So sample a little bit of everything, enjoy our relaxed way of dining and let us take care of you - the Italian way.
