

Tapsy Family Tour – Florence

In the footsteps of Leonardo da Vinci

A family-friendly experience to discover Florence through the curious and visionary genius of **Leonardo da Vinci**. Led by a dedicated guide, children and adults will follow stories, clues, and simple games designed to turn the visit into a **cultural adventure tailored for families**. Each child will receive an **illustrated booklet** and a pencil, encouraging them to take an **active part in the experience**. After exploring the city, the tour will continue into the fascinating world of Leonardo's machines with a visit to the **Leonardo Interactive Museum** in Florence, where inventions, models, and interactive machines will bring the great master's discoveries to life in an even more engaging and hands-on way. An intelligent, creative, and fun way to introduce children to art, science, and the beauty of Florence.
